RE: Krohnengold, et al. v New York Life Insurance Company, et al., Civil Action No. 1:21-cv-01778-JMF

Dear Mr. Fleckner,

I, Leslie J. Marsh, of [REDACTED] Great Falls, MT [REDACTED], am a member of the Class of the above-mentioned case. I object to the case on the grounds that I am currently involved in a legal dispute with New York Life Insurance Company. I do not want acceptance of any financial claim resulting from the class action case to affect my suit with New York Life Insurance Company. This objection only applies to me, the objector, not to anyone else in the Class.

Leslie J. Marsh
